I like you, Te Ga-Eun !
Forget this loser !
Go on a date with me !

The bitch used to be my best friend.
And the bastard is some guy I've never met.
Who'd know that
It was the beginning of "Charming b" nightmare ...

Ga-Eun !
Where did she go ...

Stop chasing her around, jackass !
It is you who must stop chasing her around, bitch ! And my name is Bum Sin-Hyo !
Who cares about your name !
Get out of my sight, loo !
Idiot ! imbecile !
Carry in a girl's form !
What ?!
5 minutes later ...
It's a fight then ! Whoever gets her wins !
Hmph ! Fine !

I am not gonna lose !
And the next day...
I had a nightmare...
Ga-Eun ~

샤방~
Good morning ~
H, hey ... ?!
What's with that skirt length ?!
Does it look good ?
Ah ..
Now is the moment !
Hmph ! That's it ?
She'll never fall for such a cheap trick !
It's too short.
It's fine ~

Kkyo ~
Eeeek ~
Oh... oops ?
Thus...
Awfully familiar...
This situation...
It's one of those appealing moments in Japanese hentai (adult) games...!
You Bastard
Damn it !
That was your intention ?!

Thanks ~
You are the best ~
I am getting close ~
Yo
Let me take your bag
What's with that book — and the glasses ?
You do know that you look ridiculous don't you ?!

I am fine.
Come on, please allow me.
Don't you have shame ?!
Shut up, you hentai game heroine !
Telepathy
P.E. class
Hey, aren't you playing ?

Oh? Hey, Ga-Eun.
How are ya.
Wasn't he sitting on the other side ?!
Why is he covered by sweats?
Didn't you say you were ill ?!
누구야
Ah... sure ?
Go easy on me. I am ill ...
It was too much. The slumdunk.

Stop bothering her !
What do you want
I thought it was a fight.
Why does it have to be her ?! Half of Earth is filled with girls !
What ? Why do YOU have to go after her then ?
Do you think a lesbian picks up some random girl and be done with it ?
And Go-Eun is not the kind of girl you think she is
And she made me to see the light. She is my first love
3 years ago ! I was cornered by some gangster
She saved me. She was the knight on a white horse
3 years ago ?
Was it an alley behind Go-Eun's home ?
How did you know ?

That nerdy girl was you ?!
What ?!
How could I forget ?
3 years ago
Kkyack !
Uh.. what should I do
Huh ?

So much destructive powers from such a small figure.
Get the hell out of here ...
And her eyes were blooming with killer charisma.

She was
My perfect ideal girl
Are you saying that the moment we fell
In love with the same was the same ?!
Gress !
That was my line !
That didn't help at all

For past 3 years it was just one-sided love and I kept my mouth shut. Then I heard that someone was going to hit on her, so I decided to propose
I didn't know that it was a girl ! What am I supposed to do now ?
Ga-Eun.
Ga-Eun !
God, she's persistent
Ga-Eun

Yo, sister, you are quite pretty eh ?
Um.., excuse me ?
Who are they ?!
Come on we are just complimenting
Hey !
Ga.., Ga-Eun !

Get out of here !
This situation ... !

Ga-Eun !
